## Setting the Table with Love

### DEAR DAILY BREAD FRIENDS –

My heart swells with gratitude when I pray for all of our partners at DBM. Every week we receive more and more requests for assistance, and every week God is faithful to meet the needs. I want to sincerely thank you for everything you do. For our partners who give us food; thank you for your support and faithfulness. For our partners who are faithful to pray for us and give financially so we can do what we do here at DBM; thank you for your sacrifice and service in the kingdom of God in this matter; it does not go unnoticed. And for our ministry partners who are on the front lines in our community, taking the food to the hungry and needy, offering hope and prayers while giving the food; thank you for letting God touch people through you. The fields are white unto harvest, but the laborers are few; pray to the Lord of the harvest, that He would send forth laborers into His fields. Let us labor together in the Lord's fields, and give Him the glory for the harvest!

May God richly bless you,

Chuck Farmer  
Executive Director

### A WARM WELCOME TO ALL OUR NEW STAFF AT DAILY BREAD MINISTRIES

We recently added a few new employees to DBM, and I would like to take this time to introduce them to you, and ask you to keep them in your prayers. Rudy Hernandez is our new Operations Manager; he has a humble servant's heart and is a very hard worker. Ioana Farmer is our new secretary. She is another hard worker for the kingdom, and along with her other duties will be responsible for our bookkeeping system. Pete Orta is the newest hire, and is helping Rudy with driving and helping out in the warehouse. Pray for us as DBM steps out in faith to add these people to our staff as the ministry increases. We give God the praise for our growth!

**BUSINESS SPOTLIGHT** – We are truly grateful for all the wonderful businesses that have partnered with DBM in helping us serve our community. Together, we can always do more than we can by ourselves. Paul uses the analogy of the body to speak to us about serving God. It takes each part of the body doing what it was meant to do for the body to function as a whole. Early Bird Pest Control is one of our special partners we would like to highlight this month. For years they have been faithfully servicing our facility each month at no charge to DBM. They are a tremendous blessing to DBM and our community. Another awesome company that has been blessing DBM for years is Propane Depot. They are faithful, providing us with the propane needed to operate our forklifts at no charge to DBM. We thank these businesses for all they do, and pray God's richest blessings upon them and their families. Please do business with these companies when you can, as they are doing what they can for the kingdom of God and for our community.

We also thank God for our many volunteers, staff, friends and partners who help Daily Bread Ministries reach all parts of our city with the Gospel and compassion!

**MINISTRY HIGHLIGHT – WOW!** Time flies when you're having fun. We have seen God do many miracles here at DBM this summer. We have had youth groups serving with us almost every week of the summer. We have had families come in off the street and receive Christ as their Lord and Savior. We have heard testimonies of healing and deliverance, as well as God saving marriages. We even had a marriage ceremony in the warehouse this summer! To God be all the praise and glory for the things He is doing at DBM! We want to thank the following groups who came and served with us this summer. These youth and their parents are to be commended for their willingness and desire to serve Christ by serving the people He came to die for. God bless you for your servant's heart.

Worth, TX; and our local volunteers.**

*Daily Bread Ministries (DBM) is a faith-based Christian food ministry that is operated by dedicated staff and volunteers who run daily routes to collect surplus goods from food suppliers and catering companies throughout San Antonio. The collected goods are then brought to the central warehouse at 700 W. Houston Street. Typically the food is redistributed to non-profit organizations and ministries within 48 hours. Ministries are invited to pick up food on Tuesday, Thursday or Saturday mornings. Daily Bread Ministries is supported through the faithful prayer and financial donations of individuals, churches and grants.*

*Daily Bread Ministries was incorporated in 1996, and became a 501(c)(3) in 1997. Last year, DBM gave away more than 4.5 million pounds of food.*
